

A man with grey hair, wearing a dark blue Suterra vest over a white shirt and light-colored pants, stands in an orange grove. He is holding a flat, rectangular object, possibly a piece of wood or a tool, in front of him. The background is filled with green leaves and orange fruit.

# Driven by Science. Backed by Growers.

The Leader in Pheromone Innovation

Suterra offers better chemistry, better hardware, and better quality control. From nuts to fruit to vegetables, CheckMate® and Puffer® are trusted on more acres than any other mating disruption brand.
